'If you want to do good, it doesn't matter if you are for profit or not-for-profit you have to architect the right structure to deliver on your mission.' [Trang Fernandez-Leenknecht](#)

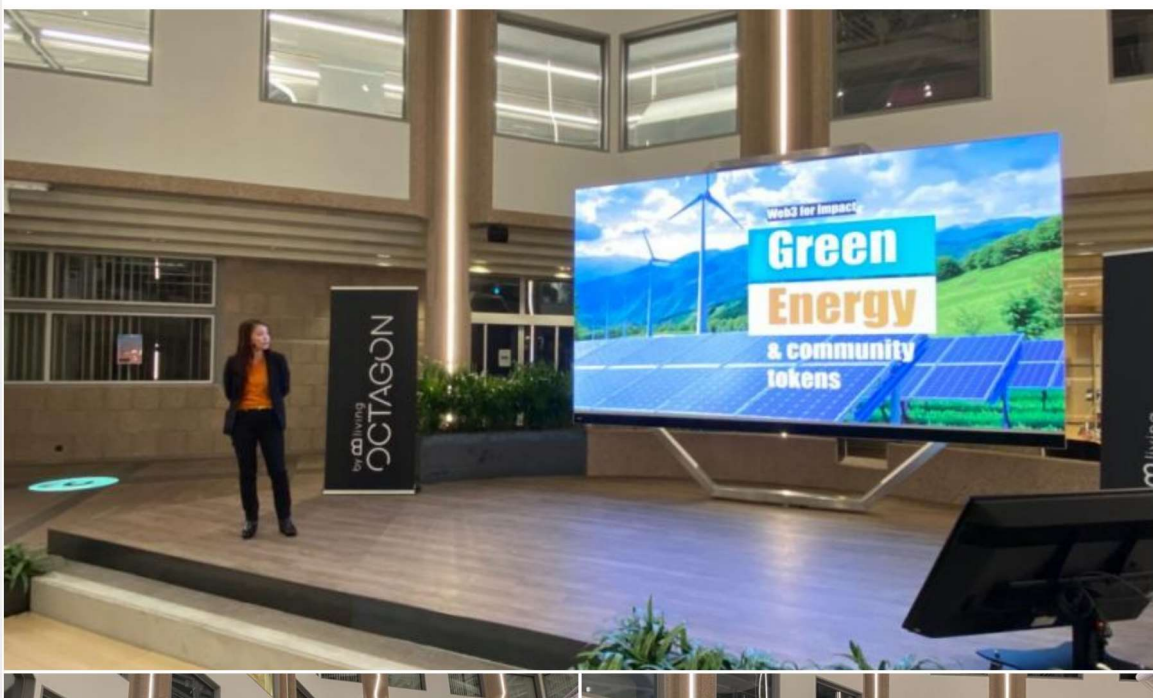

[Breakthrough](#) Academy was held last week with the [#Metachain](#) community to cover Web3 for Impact  use cases.

We dug into the legal and tax aspects International regulations, financial requirements, and tax obligations [#tech4good](#)

Thank you lovely community of [#Metachain](#) and the inspiring insights of [Arkan Akin](#) , [Christoph J Ebell](#).
